

Enclave Homeowners Association

Newsletter for June 21, 2014

Happy Summer, Enclave Friends and Neighbors!

The hot season is upon us and the pool is getting lots of use. Fortunately, the new chlorination system appears to be working as we had hoped. Still, if you notice anything in the pool water that indicates it might not be working, please contact Scott Batchik at sbatchik@neo.rr.com.

The pool continues to be our highest expense item, as we recently replaced the thermostat that was not functioning properly and adding a strainer to the filter. We will soon be repairing the gate for the fence hiding the pool equipment. Also, we will be removing (not replacing) the non-working grill as soon as the family of robins move out.

Speaking of the pool, please make sure you are familiar with the pool rules that can be found at www.EnclaveOnline.org. Please introduce yourself to people you might not recognize because we have some new neighbors this year.

Here are some immediate items that you can volunteer to help with. Please contact us at EnclaveOnlineOhio@gmail.com.

1. **Board Member.** Bruce Brown has moved and we need a replacement. If you are interested, please email us at by July 1. If more than one person volunteers, we'll have a vote by the homeowners.

We heartily thank Bruce for his years of service and help on the board. We wish him all the best that life can offer at his new place!

2. **Social Committee Chairperson.** This person would plan and organize events as you see fit. For example, some of the past events have been the annual pig roast, euchre / bunko nights, and beggars night (Halloween).
3. **Clubhouse Remodel Chairperson.** Although we don't have the funds at this time, we are looking for a list of things that need done at the clubhouse so we can plan for 2015.

Related to the clubhouse, Tiffany Cunningham will be the person to contact when you need to reserve it for an event. Reservation and contact information can be found at www.EnclaveOnline.org. We thank Cindy Brown for helping us with this in the past!

Best wishes for a super summer,

Scott Batchik, President
Chris Nehlen, Vice President
Dan Bloom, Treasurer
Harold Guthrie, Secretary
