

## THE ENCLAVE HOMEOWNERS ASSOCIATION

### Residents' Pool Rules (May, 2013)

Residents and their designated guests use the Enclave Homeowners Pool *at their own risk* and accept full responsibility for their participation. There is no lifeguard on duty.

Official Pool Hours: Dawn to Dusk. Be advised that inclement weather, contamination and/or maintenance work may dictate adjustments to the daily schedule or limit use of the pool. When there is a "POOL CLOSED" sign posted, all activity in or around the pool/pool deck is prohibited. Any person utilizing the pool/pool area when the facility is closed may be suspended from facility privileges or subject to Uniontown Police investigation.

*(NOTE: In terms of Pool Rules, "Pool" refers to use of the pool and/or pool deck areas and seating).*

- Residents of The Enclave who are in good standing (paid-in-full association dues for the current pool year) may utilize the pool abiding by the stated pool rules.
- Use of tobacco, glass products, foul or abusive language and non-service animals are prohibited within the immediate pool area.
- Pool/Clubhouse entrances and doors must remain closed at all times.
- Prohibited activities including any forward or backward diving, running, "dunking" or general rough play in or around the pool.
- Diapers, cut-off shorts and/or makeshift wear not intended for pool use are not permitted in the pool. Covers or shirts meant to minimize sunburn are permitted.
- Residents of any Enclave household are permitted access to the pool unless otherwise restricted or closed.
- No Enclave resident under the age of 13 may use the pool without one adult (age 16 or older) present in the pool area at all times.
- Guests: Non-Enclave residents are not permitted to utilize the Association Pool at any time. Guests of Enclave residents are permitted within the following expectations:
  - Enclave residents must accompany any guest entire time during pool use.
  - Each Enclave member residence is limited to maximum of six (6) guests at any one time.
  - During holidays and weekends (or other high-volume use) attendance may be limited to accommodate Enclave members. On these occasions, guests may be limited per residence to less than six.
  - Residence guests are considered such whether they are in the pool or not.

#### **Issues and Resolution of Problems:**

As Enclave Homeowners, we all share the responsibility for maintaining a safe and clean pool for the enjoyment of our neighborhood. Likewise, we have the right to enjoy our Association pool in a comfortable and appropriate manner. When an issue might occasionally arise which deals with behavior or non-residential use in the pool area, we ask that you follow this protocol:

- If you are not certain of the person's connection to the Enclave, it is appropriate to inquire with an introduction (of yourself) and ask them to identify their residency. Inform non-residents that there is a restriction of the use of the pool to Enclave residents and their accompanied guest.
- If you are not able to resolve the issue or have one of the Enclave residents to assist, please call the Uniontown Police Department at 330-699-6444 and indicate you are reporting a trespasser in the Enclave Pool/Clubhouse.

**Please enjoy the Enclave Homeowners Pool and surrounding grounds  
and help us maintain a wonderful family atmosphere!**
